MEMORANDUM No. 1049M II/49-1, dated 28th January, 1949.

Sub: Textiles - Powerloom cloth, Imported cloth, imported yarn and readymade garments - Movement outside - Madras Zone - Issue of special permits

Ref:- G.O.No.6374 MS devt. dated 22-12-48.
From the Provincial Textile Commissioner.
Rc. No.62270 E2/48 dated 3-1-49.

***

The Provincial Textile Commissioner is informed that his proposal for delegating to the Collectors , his powers to grant special permits for the export of powerloom and imported cloth from Madras Zone to places in India outside the Province, is approved. As the Government consider that there should be as little interference with the export of powerloom and imported cloth, he is informed that verification of stock etc. need not be insisted upon in respect of the grant of export permits for these goods. As regards export of ready made garments and imported yarn it is considered that full scrutiny and XXXXX verification of stocks etc. should made in order to ensure that (i) the mill cloth allotted to this Province is not alloed to move-freely to other provinces and States in the shape of ready made garments, and (ii) imported yarn which helps to relieve the yarn scarcity in the Province to some extent, is not allowed to be freely taken away from the Province. The Government therefore consider that it is not desirable to delegate to the Collectors the power to issue special export permits in respect of ready made garments and imported yarn and that this power should be retained in the hands of the Provincial Textile Commissioner himself.
